## Clarence Park, Weston-super-Mare

### Type of care:

Registered nursing home providing short and long term care.

**Our spacious, bay-windowed town house is just minutes from Weston-super-Mare’s famous seafront. Inside you’ll be greeted by lots of smiles, a real family atmosphere and simply beautiful interiors.**

You’ll find our home just opposite the much-loved Clarence Park, overlooking its striking lawns and mature flowerbeds. This large Victorian townhouse combines both modern and traditional interiors with an emphasis on stylish design in warm, welcoming rooms.

The large bay windows allow light to pour into our elegant sitting rooms.

Many of our bedrooms open out onto a courtyard garden set around a Mediterranean-style patio.

Our garden features ramps and wide block paved areas for easy access, colorful flower beds and a gently flowing fountain. An arbour with climbing clematis provides shade on sunny days and raised planters make gardening a continuing pleasure for many of our residents.

### Registered nurses available day and night

At Clarence Park, as in all of our nursing homes, we have Registered Nurses in constant attendance, day and night. Of course, nursing isn’t just about clinical and medical care. Our nurses are good communicators and listeners too, working well as part of a team alongside residents, families, friends and other specialists.
